Anne Pitt, of Haliburton, collects and restores antique porcelain dolls. Above are some of her dolls that are more than 50 years old. For a story on her work and more pictures see page 2.

## \$400,000 improvement set

### Fifty percent provincial split gets program underway

A \$400,000 neighbourhood improvement project, 50 per cent funded by the provincial government, is now underway after a public meeting was held in Haliburton Village last Friday evening.

The meeting was held to publicize plans to improve residential areas in the town. A plan, prepared by Bishop and Wilson, consulting engineers of Haliburton, was presented to the 11 citizens who attended the meeting.

The project, enacted by a by-law of council, calls for two-thirds of the project to be undertaken in the next two years, another third in the third year and the final third of the project completed in the fourth year.

According to reeve Murray Fearrey the municipality can terminate the program at any time if the amount of money provided by the province has been matched by the municipality.

The Ontario Neighbourhood Improvement Program (ONIP) is designed to upgrade living conditions in deteriorating residential areas including upgrading of municipal services, roads, sidewalks and recreational facilities. The program area includes 1012 hectares from lots 12 to 19 in concession 7, 8, and 9 and lot 20, concession 7, covering the entire hamlet of Haliburton.

Topping the list of priorities is the repairs to the roof of the Dysart community centre auditorium. The study states that the original tar and gravel roof has deteriorated so that it is no longer water-tight. Cost to repair the roof is estimated at \$6,100.

The second priority is the replacement of the arena roof at the community centre which has "badly deteriorated" according to the study. Cost of the replacement is estimated at \$35,000.

The finish on the hardwood flooring in the auditorium of the centre is also in bad repairs and should be stripped and have an adequate finish applied to it, costing \$2,500.

The fourth priority in the plan also applied to the community centre. Because of the demand at the centre, the dressing room and washroom facilities are not adequate. To improve this situation, planners suggest that 1,200 to 1,400 square feet should be added to the lobby

portion of the centre. Estimated cost of this addition is \$55,900.

Project five would be the installation of street lighting along highway 118 leading west from Haliburton village. The consultants noted that this was the "only major residential portion of the re-development area that is not presently serviced with street lights". The poorly lit area stretches from the Lakeview Centre along the northerly shore of Head Lake. Seven poles with hi-pressure sodium fixtures, photocells, brackets, lamps and all the line as well as labour is expected to cost \$10,000.

Highland Street and Oak Avenue are also slated for general reconstruction including regrading, repaving, replacement of sidewalk, and curb and gutter installations. Cost is estimated at \$90,000.

Under project number seven, sidewalks will be installed along Riverside Drive. It is suggested that 1,000 feet of sidewalk will cost \$13,900.

Highland Street east, which the consultants say also has a high pedestrian traffic is badly in need of sidewalks. Cost for 660 feet of sidewalks will cost \$9,300. Although sidewalks do exist on Mountain Street they have deteriorated and the ditch between the side-

walk and the roadway should be properly graded and the median area should also be improved. The estimated cost of this project is \$28,900.

Lake Avenue is also slated for a face lift if retaining walls were installed at the intersection with Highway

Please turn to Page 2

## Fearrey will run

### Friends persuade incumbent reeve

Murray Fearrey will run for the position of reeve in Dysart et al in the November 8 municipal election.

Although Fearrey, the incumbent reeve, publicly stated he would not run for political office this fall, he said he had discussed his proposed resignation with many ratepayers during recent weeks.

"I have entertained much discussion with friends and taxpayers. These discussions have nearly always focused on the issue of county representation, council experience and continuity, coupled with a restructured Dysart council, a

Please turn to Page 2

## Legion will establish county shrine

A memorial shrine to all the fallen soldiers of World War one and two and peace time actions who lived in Haliburton County will be erected in Minden this fall. Dedication of the monument is scheduled for the first week of November.

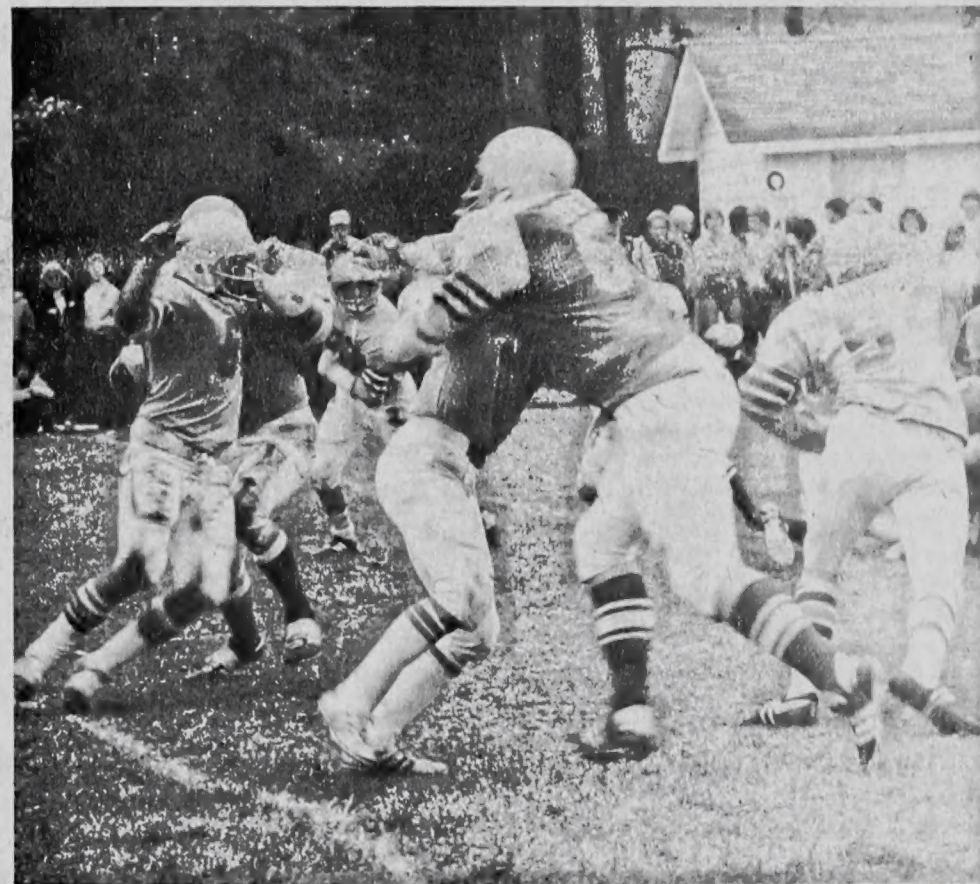

While the names of the dead soldiers are scattered on monuments and plaques throughout the county there does not exist a common tribute to the heroes.

The monument is a project of the Royal Canadian Legion Branch 129 of Haliburton.

The contract was let last week to Jeff Campbell of Minden.

The monument is estimated to have a four foot square base and be seven feet high. It will be constructed of field stone.

The tribute will be built near the south side of the Minden Cultural Centre in Minden Village.

The Redmen put forth a valiant effort in their game against Brock last Friday. They didn't win and neither did the juniors. For game results see page six.

## More residents run in fall election

### Bob Bishop Jr. and John Parish put their name before Dysart public

Interest in the upcoming municipal elections continue to grow as incumbents state plans to resign from their seats and other residents put their name before the public.

In Dysart et al, Bob Bishop Jr. of Haliburton Village, has announced he will run for election in ward one.

Bishop, who served on council for one term many years ago, said Tuesday he has the time and the experience to be an effective councillor. "What's needed is pragmatism and innovation," he said.

Bishop's eligibility to run

in ward one will not be affected by the possible changes in the municipality's ward system.

John Parish, a life-long resident of the area, has also put his name forward to con-

test the ward two council seat. Although ward two may be drastically changed if a proposed by-law is passed before the election, Parish said he is interested in the area that it covers now, including Harcourt or the

possible reduced area if changes are made.

Parish said he is interested in the community and would like to be involved in the political decision making process.

## Tender called for highway 507

Tenders have been called for grading, drainage and granular base on Highway 507 from 4.2 km south of Highway 503 southerly for 7.1 km, according to the

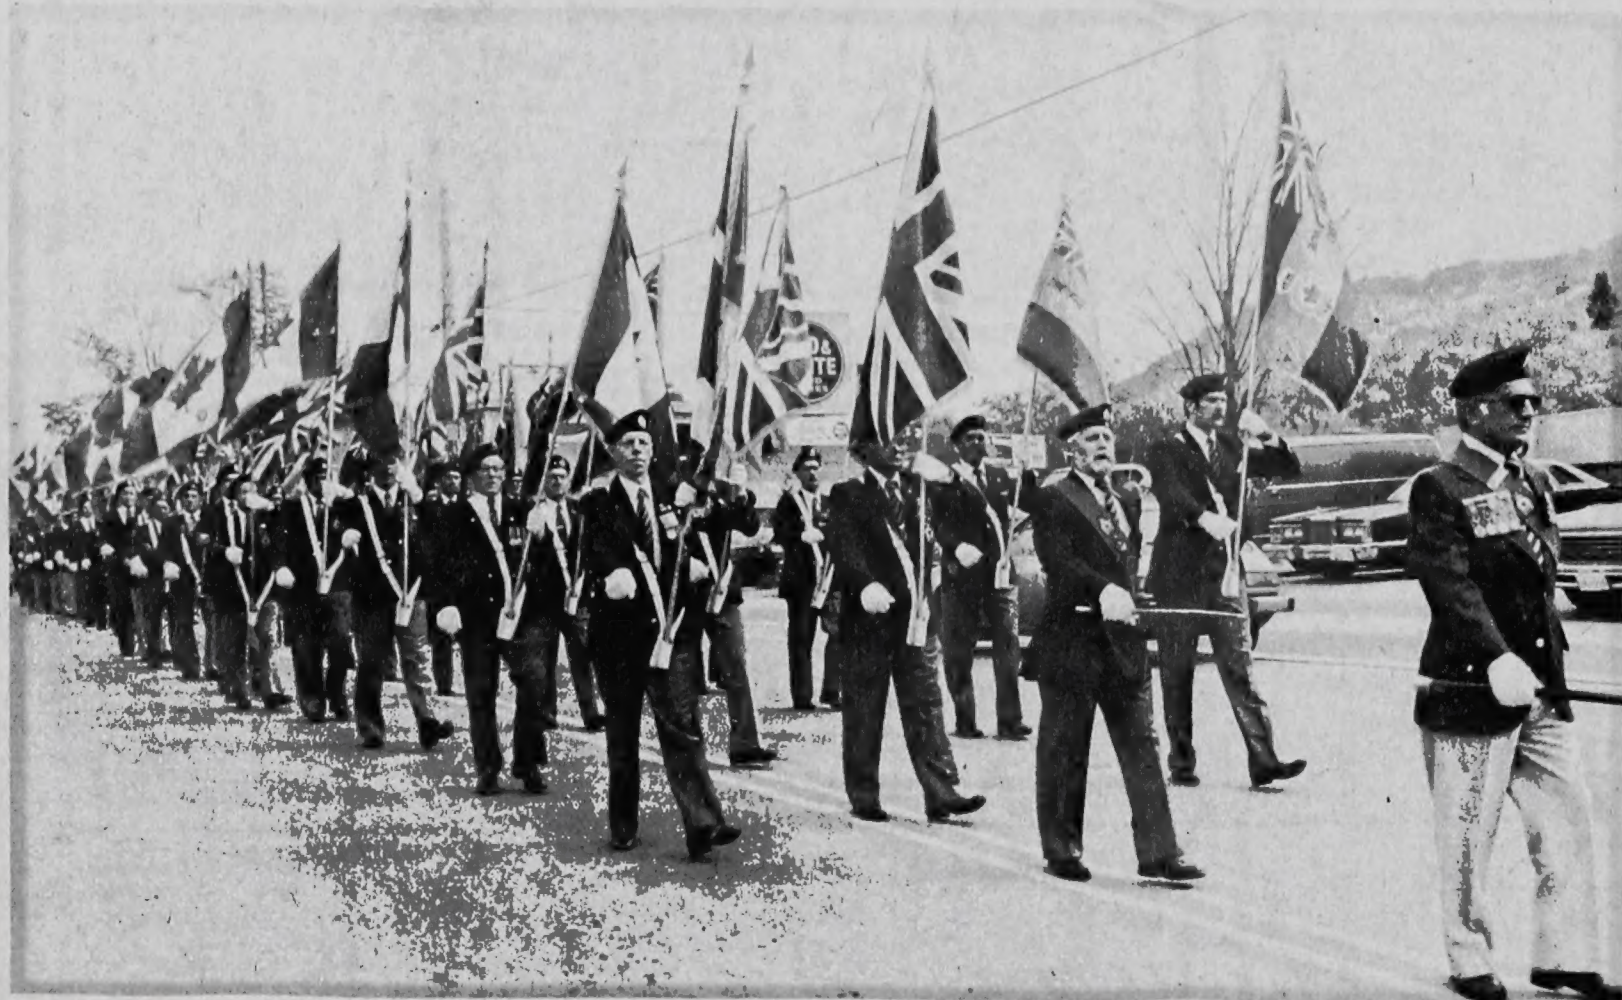

Ministry of Transportation and Communications.

This project will correct the existing deficiencies to improve this portion of Highway 507 up to the level

of adjoining sections of roadway.

Tenders will be open for this project at ministry headquarters in Downsview, October 27.

# Legionnaires parade colours, drums

Legionnaires and their colours

For what could be the last time, the veterans of the world wars marched down the Highland Street in Haliburton Village, Sunday.

The Drumhead Service, hosted by the Royal Canadian Legion, Branch 129 of Haliburton, drew as many as 1,000 Legionnaires and their families to the area this week-end.

The event began with an impressive march down the main street with pipe and drum band members dressed in magnificent tartan costumes and followed by the marching legionnaires of every rank. The bands hailed from Oshawa, Bowmanville, Brighton, Lindsay, Bancroft and Haliburton. The Haliburton drummers were given the distinctive honour of piling the drums in the ceremonial war-time field church service.

The parade marched from the municipal ball diamond down the main street and broke for a short service at the cenotaph. The marchers continued around the corner down York Street and through Head Lake Park with their colours flying. The colour parade broke all previous district records with 187 colours on display.

The parade ended in front of the bandshell in the park where tribute was paid to fallen soldiers and veterans who had died in the interim years.

After greetings from municipal, county, provincial and federal representative, the tradition drumhead service was held.

The legionnaires spent the remainder of the afternoon renewing old acquaintances and topped the evening off with a special dinner in the legion hall.

## Fearrey will run

from page 1  
three year term and the tough economic times we are facing," Fearrey stated.

Fearrey said he had spoken with all declared candidates to date and had been urged to be involved in the next municipal election.

"It is in this spirit and commitment that I will stand for re-election to the office of reeve," Fearrey said.

## Dysart et al priorities

from page 1  
121 to lessen the continual erosion at this site. Gabion baskets filled with rocks, could improve this situation the consultants say. Cost is estimated at \$16,000.

Rotary Beach, as priority number 11, could have a paved parking area with a parking rail to outline the car area if the project is carried out. Cost of paving and the rail is estimated to be \$52,000.

Finally, the last suggestion is to pave the travelled area between the Dysart fire department parking area and parking area adjacent to the curling rink and baseball diamond. Cost of this project is \$31,000.

Included in the total cost of the entire ONIP project is \$15,000 for administration costs over the four year period.

The by-law to adopt the redevelopment plan was passed Tuesday evening.

## Briefly ...

### OPP investigate

The personnel at the Minden Detachment of the Ontario Provincial Police investigated 47 general occurrences during the past week.

Included in the investigations were seven thefts, four lost and founds, two wilful damage reports and seven break and enters.

Four people were injured in three motor vehicle accidents.

### Damage soars to \$10,000

Damage soared to \$10,000 in a two car collision on Highway 503 a week ago last Monday.

Russell Morris of Toronto, was driving his 1979 Mercury east along the highway when he turned right into a private driveway. His car was struck from behind.

Mark Kennedy, of Wilberforce, along with Morris received minor injuries.

Damage to both vehicles was estimated at \$5,000 each.

### Three thefts reported

Three thefts amounting to almost \$1,000 were reported last week.

Last Monday, Douglas Warrens, of Lutterworth Township, reported that four face cords of wood had been stolen from near his residence. The value of the wood was estimated at \$120.

The same day, Jean Bouchard, of Wenona Lake, discovered three face cords of wood had been taken from his residence. Estimated value was \$100.

Stereo equipment was removed from a Toyota pick-up while it was parked at a public landing on Haliburton Lake, last Sunday.

Wayne Wells reported that 46 cassette tapes, a cassette case and one pair of Pioneer door mount speakers were taken. Value of the theft was \$670.

# Dolls aren't just child's toys

There was a time when playing with dolls was only for little girls. When girls grew to be young women they discarded their childhood toys and stuffed them into forgotten closets. But not Annie Pitt.

Pitt never had a real doll when she was a girl. Her memories of dolls and her younger years recall only the diligent work of stuffing bodies for her father to make into pretty toys for more fortunate little girls.

But now she has dolls of her own. And they are unlike dolls that most people have.

Her treasures are made from porcelain, bisque or sawdust glue composition and they are antiques. Some are original and many are reproductions that she has created from valuable original dolls.

But Pitt is not only intrigued by the perfectly kept antiques, those that have not been mutilated by a child's loving hands or carelessly smashed. She loves even the destroyed childhood toy.

Ann is the chief surgeon in her doll hospital on the outskirts of Haliburton Village.

She's been repairing and buying antique dolls for over 12 years but didn't start offering her

services to doll collectors until eight years ago. Her first involvement came at an antique doll show in Florida where they featured antiques and reproductions.

"An antique doll is just like a piece of gold," Pitt confesses. It's value continues to increase. While Pitt can repair dolls, remake heads that were originally on the dolls, she can also replace broken limbs or torn and stained bodies.

But it is painstaking work. First the origin of the doll must be researched, which she used to do at the Royal Ontario Museum when she resided in Toronto but now she tries to rely on her extensive doll book library that can give her many of the details she needs to know.

Some pieces can be purchased but are very expensive and are mainly available in the United States. While others she makes from molds, pouring in the porcelain, firing them and putting the exact finishing touches on the faces. She even counts the eyelashes.

While doll collecting isn't for everyone, Pitt says it can be comforting to have that old favourite play toy restored and sitting contentedly on a

shelf. But be prepared whether producing them, repairing or purchasing an original antique doll, it is an expensive hobby.

"You really have to love dolls and have a bit of money, I guess", she said.

## Fire prevention week set, homeowners to check wiring

Fire prevention week has been scheduled from October 3 to 9 in hopes of alleviating deaths and property damage caused by fires in Ontario every year.

According to Minden fire chief Deke Jackson, the week is called to help eliminate potential fire hazards in the home, business or outbuildings.

Everyone is urged to check for poor electric cords, outlets, faulty appliances, overfusing and all other electrical hazards. It is also suggested the no combustible liquid such as gasoline, coal oil, or paint thinner be stored near heating appliances or inside the home. Excess paper and oil filled rags should also be destroyed to avoid spontaneous combustion.

If heating with wood, homeowners should make sure flue pipes and chimneys are clean and in good condition. Automatic furnaces and space heaters should be cleaned and serviced annually, the fire chief said.

Last year alone, there were 25,081 fires in Ontario. Two hundred and twenty-seven lives were lost and damage

amounted to a staggering \$234,857,057.

"If we all work together, we are sure we can lower these numbers," Jackson said.

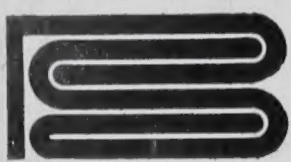

The fire chief suggested that anyone having an enquiry regarding fire prevention should contact their local fire department official.

## Editorials

### Campaigning

The election scene continues to heat up in municipalities across the county.

In an announcement this week, incumbent reeve Murray Fearrey has opted to stand for re-election although he had thought earlier of resigning from the municipal podium this fall. According to Fearrey, numerous ratepayers have attempted to dissuade him from retiring, so he will offer his services for the upcoming three year term.

Two other Dysart residents, Bob Bishop Jr. and John Parish have made their political aspirations public. They will both seek a seat at the municipal council table.

In Minden, incumbent reeve Lloyd Walker is expected to run for that office again and councillor Lyle McKnight will also run for the office of reeve. Deputy-reeve Doug Pritchard will seek another term in his present capacity and councillor Ed Pergolas will attempt to move up to the deputy-reeve position.

Rumblings have been heard throughout the other communities, with Sherborne, McClintock and Livingstone reeve Fred Baum announcing his retirement and deputy-reeve Dalton MacDonald saying he will run for reeve.

Shakedowns are expected in almost every township as Stanhope reeve Jim Harrison resigns and councillor Harry Davis will run for the position of reeve. Deputy-reeve Elgin Stouffer will ask voters to retain him in his present capacity.

This election will clearly be more exciting than two years ago when numerous seats were acclaimed throughout the county. There was not even an election in Sherborne, McClintock and Livingstone where every candidate was acclaimed to council.

Time will tell, but Anson, Hindon and Minden's election may become the hottest if last week's council meeting was any example.

The mud slinging has already begun. Because details could not be substantiated, the discussion did not become full blown. And because the nature of the accusations seem unrelated to either municipal or public matters, no names will be mentioned.

But when one member of a supposed team tries to ruin the reputation of a member of council when he is not present, but the press are, it is despicable. Especially since the supposed matter has been under investigation since May but the victim of the accusations has not been asked directly by the suspicious member of council to clarify any discrepancies.

Election time has clearly surfaced as the perfect time to attempt to ruin the councilman's reputation.

If a political candidate can be no more inventive than to sling mud and accusations instead of proposing imaginative ideas and attempt to move the municipality in a progressive direction, he should not consider running for council.

### Lest we forget

The Drumhead Service sponsored by the Royal Canadian Legion in Haliburton Village Sunday, was, indeed, an impressive event.

To watch the middle-aged, and older, veterans, march proudly, carrying flags and remembering those who fell beside them in the heat of battle is touching to say the least. But the worst aspect of the sentimental ceremony was to realize that many of the veterans will not be alive when, and if, another Drumhead Service comes to Haliburton.

With the average age of most veterans being at least 60 years old, there will be few that will be left to mourn their fellow soldiers in 20 years.

What then will happen on Remembrance Day? Will Drumhead Services remain only in the memory of the young who were fortunate to view one during peace time.

As well, it was a sad commentary that the largest of the crowd who attended the service were those that served in the war.

It may be that only those, who have truly experienced a young friend dying at their feet or the thought that there may never be a tomorrow, can appreciate how valuable life is.

'ALFIE'

by SUE COOPER

## Firefighters' response appreciated

### Letters to the Editor

To the Editor:

The house is on fire!

A chilling warning cry we all hope we will never hear.

It happened to our family about 4 a.m. last Sunday. Our youngest son David awoke us as the house was quickly filling with dark brown smoke.

David called the fire department as my wife and I closed all the windows. That done, we evacuated to the safety of the driveway.

Our home is located on Highway 121 about halfway between the Haliburton Marine and PineStone Inn. I mention this because it seemed like just a few minutes before the fire department arrived from Haliburton Village, a good distance.

The firefighters quickly located the fire (an electric short in the attic) and after a tough fight in the heavy smoke, extinguished it through a chopped hole in the roof.

My family and I wish to thank and congratulate the Haliburton Volunteer Firefighters for a spectacular display of professionalism and dedication. Three cheers for our smoke eaters.

James Stewart  
Haliburton, Ontario

To the Editor:

It seems we in the tourist area are constantly striving to come up with ideas which will attract visitors to the Haliburton Highlands. We also use a slogan which says "We Treat You Royally".

This past week-end the village of Haliburton hosted a Legion Drumhead Service which saw some 700 Legionnaires and six pipe bands on parade on Sunday afternoon. These along with their spouses would seem like a sizeable number of visitors to our area.

I'm sure these men and women left money in our shops, restaurants, garages, hotels and motels, therefore, it was disappointing to see the lack of recognition shown our guests. Not one poster sign or banner to say "Welcome Legionnaires".

"Lest We Forget."

Jean Casey  
RR 2 Haliburton

To the Editor:

Let's give would-be trap-shooters a break and ourselves a favour by permitting substitution of gulls for (clay) pigeons at the dump site, where gulls congregate in great numbers to feed on garbage, carrying, as they do, pollutants to the lakes, and lately to the school grounds.

The end result of harbouring gulls just may contribute to lake pollution reading of 18-4 by recent analysis.

G.C. Springer  
Haliburton

To the Editor:

In his letter, which you published on September 22, Mr. A.J. Ouellette expressed his annoyance at the 'unfair articles written by cottagers towards the township of Dysart. Since the chief cause for his annoyance was my letter, published on August 25, concerning the Harburn Road, please allow me to try to clear up an apparent misunderstanding which suggests an unreasonable attitude on the part of our association.

Reeve Murray Fearrey has been a most welcome guest at all our annual general meetings since the formation of our association. Concern over the state of the Harburn Road has been a recurring topic at these meetings. The problems involved in maintaining the road with the limited resources at the disposal of the municipality were understood. Our members were very pleased to learn from Mr. Fearrey at this year's meeting in July that the County had taken over the road from January 1, 1982. At each of our last three meetings Mr. Fearrey has been asked to pass on to the Dysart Roads Department our members' sincere appreciation of their services. It is unfortunate that Mr. Ouellette was unable to be present at any of these meetings to hear the compliments passed to the Reeve.

It is understood that plans are in hand for the County to improve the Harburn Road in sections over the next few years. There is good evidence that this work has already begun. In my letter I referred to the changed responsibility for the road but at the same time added the hope that our new municipal officers would use their influence with the county authority as may be expedient, to keep the plans for the Harburn Road alive.

On the day before my letter was published, I telephoned the County Engineer. I explained to Mr. Obee that my purpose was not to criticize his department but to emphasize the need for continuing political support for the planned improvements to the Harburn Road. At the same time I described reasons for the road users' immediate anxieties arising from the road's potentially dangerous condition. I am sure that all users of the road will join in expressing appreciation to Mr. Obee and his Department for the great improvement made to the road surface during this past month.

We do not use the term "Cottagers" in the title of our association. Several of us are residents of Dysart in every sense of the term. We feel we belong to the community and share its responsibilities. May I suggest that we down-play the use of all terms such as "Cottagers - Black - White" etc. which emphasize the differences in our society and instead stress cooperative community achievements which were so wonderfully shown in the efforts shared by all religious persuasions in Dysart towards the building of the new St. Anthony's Chapel.

## Feir Play

by Creighton Feir

There's a bit of good news this week for the people who live in the Bancroft area. Natural Resources Minister Alan Pope and Lloyd Axworthy, federal Minister of Employment and Immigration have announced that Madawaska Mines Ltd. of Bancroft has been offered two grants totalling \$219,374 from the Ontario and Federal governments to create a total of 44 weeks of work to be shared by 19 laid off mine workers. One grant of \$148,091 will be used to employ 10 workers for a total of 300 weeks of work to carry out a number of maintenance and improvement tasks for the Township of Wollaston. The project involves brushing roads, repairing an outdoor skating rink and clearing a canoe route, among other activities. The other grant of \$71,283 will be used to employ nine workers for a total of 144 weeks of work to construct a 30 kilometre cross country ski trail near Madawaska Mines. The project involves building warm-up huts, bridges and parking lots and is expected to increase tourism in the area, thus contributing greatly to the local economy of the area.

You can discover what T.V. Ontario has to offer you and your family and you are invited to join the South Central Region Council at Wig-A-Mog Inn on Thursday, September 30, 1982 at 8:15 p.m. If you are looking for more information please call Rhonda Elstone at 457-1328. She is a T.V.O. Regional Councillor.

Here at the Echo we find it very hard and practically impossible to put articles in the newspaper each week that will satisfy each and every one of our readers. In other words, you can't win them all. If an excellent article is published not many seem to come forward and say just how much they enjoyed it, but just make one little spelling mistake and a great many people will let you know about it.

It will soon be World Series time again when people who don't usually follow baseball during the regular season turn into what you might call baseball addicts. There is something about the world series that is appealing to a great many people and it would mean that much more if we knew that the Toronto Blue Jays or the Montreal Expos were going to be in the grand finale. It would appear that this is just not going to be the year. The Expos once again gave it a great try but it looks as though they are going to fall short. Same thing applies for the Toronto Blue Jays who will have to wait until next year. There is no doubt about it that you can look forward to many great games before it's all over.

Kathy MacGregor, the exchange student from Minden last year was a recent speaker at the Rotary Club of Haliburton meeting. She spoke on her interesting and obviously educational trip to New Zealand.

The Haliburton Highlands Harvest Festival, a project of the Haliburton Highlands Chamber of Commerce continues this Friday and Saturday, October 1 and 2. On Friday night it's "French Casino Theme at the Stanhope Community Centre and on Saturday night at the Haliburton Legion Hall "English Music Hall" theme.

This coming Sunday afternoon about 5 p.m. we should know what kind of stuff that the 1982-83 version of the Haliburton Huskies is made of. This will be the first scheduled home game for the Huskies in the new season and the visiting team is Parry Sound. With two new teams added this year Essa and Stayner, along with last year's eight teams, gives us a ten-team league so we won't have to watch the same teams play very often. Once again this year we are hoping that the local team will be a contender and will supply the local fans with plenty of exciting hockey action this coming winter. We must keep in mind the fact that the Huskies' competition will be much tougher this season than it has been in previous years. The Huskies will need your support. Let's not forget that the first home game is this Sunday afternoon, October 3 at the Haliburton arena when Parry Sound will be here to take on the Huskies at 2:30 p.m.

The Marriage Enrichment Film Series featuring Dr. Carl Brecheen, professor of Bible and family relations and Dr. Paul Faulkner, Director, Institute of Marriage and Family Studies and Professor of Bible and Psychology starts on Wednesday evening, October 6 at the Senior Elementary School in Haliburton, 7:30 to 9:30 p.m. There will be two films shown each Wednesday evening during the month of October.

I was certainly pleased one day last week when George and Doris Wheeler, formerly of Haliburton, who now reside in Springfield, Massachusetts, in the United States, stopped by for a visit. When my father and I went into the newspaper business along with Walter Noice, in 1952, George was our linotype operator and in other words the man that typed out the news. He told me that it had been seven years since the last time that he visited Haliburton. Besides working at The Echo he spent a great deal of his off-time leading and directing the Haliburton Legion Brass Band.

Murray Austin who was a patient in a Toronto Hospital for several weeks is home now and we join with his many friends in welcoming him back. We certainly miss his smiling face around the Imperial Oil office in Haliburton and hope that it won't be too much longer before he is able to be back on the job.

### Restraint Program

A one-year restraint program has been introduced by the provincial government, which imposes 5 per cent wage controls on 500,000 public employees and regulates prices and fees set by provincial agencies. This program would extend expiring collective agreements by one year, and would limit the wage increase to 5 per cent, or roll back increases in the second year of existing contracts. It would also ban strikes by public and "para-public" workers for the duration.

Provincially regulated prices are to be reviewed by a Cabinet Committee on Administered Prices, which would have the power to reduce or delay them.

The Provincial Treasurer told the Legislature that the program is not an attack on the public sector, but is an attempt to avoid cutbacks and layoffs in this sector while lightening the burden of government on the economy.

In addition, an Inflation Restraint Board is to be established to administer the wage restraint and administered prices program and to monitor wage and price increases in the public sector.

Covered by the restraint program are provincial, municipal, agency, board, commission, university and school board workers; Brewers Retail prices for beer; hospital and nursing home workers, including physicians on salary at hospitals, ambulance service drivers, group home workers; Crown Corporation employees; tuition fees; TTC workers, elected officials and judges; employees of charitable organizations funded by the province such as the Children's Aid Society.

Also to be controlled are hydro and natural gas rates; Blue Cross and Green Shield insurance premiums, GO Transit and inter-city bus fares; government licence fees, Ontario Place admission.

Not controlled by the restraint program are doctors who provide service-for-fee, workers earning less than \$15,000 a year in otherwise controlled jobs who would get slightly more than a 5 per cent raise - between \$750 and \$1,000.

Also not covered by the program are OHIP premiums and most private insurance premiums, TTC fares, Bell Canada telephone rates, rent hike ceilings, public housing rents, and food marketing boards.

The Provincial Treasurer estimated the program will save the provincial government \$840 million and other government bodies \$350-\$60 million, based on the assumption that workers would have settled for 12 per cent increases.

Both the public sector's right to strike and the binding arbitration process have been suspended, and if workers are unable to negotiate a deal within the limits, the government will impose a contract.

The Liberal Caucus voted with the Government on the restraint program, but Liberal Leader David Peterson has called for a total economic recovery package, including job-creation measures. He has urged the government to put savings from the restraint program into job creation.

"We will be pushing hard for the second stage", he said. "We need an ambitious economic recovery program now. Otherwise, this 5 per cent program will become merely a gimmick to deflect the heat of economic mismanagement and profligate waste."

In a wide-ranging speech on the economy, Mr. Peterson outlined Liberal proposals for economic recovery, stressing that people expect "real and lasting solutions, not gimmicks".

### Premier's Jet

The Premier's controversial purchase of a \$10.6 million executive jet has been cancelled, and the government is acquiring instead two forest fire fighting water bombers from the same Montreal manufacturer. James Bradley, Liberal MPP for St. Catharines, a long-time critic of the jet purchase, was told by the Premier that the cost of the water bombers was comparable to the cost of the jet. Mr. Bradley said he would now direct his criticism to government advertising, Minaki Lodge and Suncor - other examples of government overspending.

### Ex-Candidate's Judgeship

Charges that Progressive Conservative organizers promised the mayor of Kitchener a judgeship if he ran and lost as a Tory in the 1981 provincial election are to be investigated by a Queen's Park Committee. However, the Government has refused to consider a Liberal suggestion that an independent inquiry should be held to examine the possibility that the Criminal Code articles prohibiting influence peddling had been broken in this case. Albert Roy, Liberal MPP for Ottawa East, expressed the view that the credibility of the administration of justice in Ontario might be at stake.

## From the Chamber

by Bob Stinson

### The Kanawa Museum Issue!

At the Board of Directors meeting of the Chamber held on September 1 a motion was passed that states "The Chamber supports the concept that the logical location for the Kanawa Museum is at the Leslie Frost Centre, and that we encourage further studies in this direction."

The motion was made after considerable discussion and a request from the manager for direction from the Board members as to what they would have him pursue on the issue. It has been firmly established that the museum cannot continue to function at its present location and under its present structure. Knowing that, a great number of submissions have come forward from both inside and outside the county, and it was felt of utmost importance that a submission from within our county be made that could compete with suggestions such as Trent University in Peterborough.

When Kirk Whipper began his collection in 1956 he had no idea it would reach the world class proportions that it has. He is now faced with the overwhelming financial burden of finding room to display and restore almost 700 craft, and the constant concern for their safety. The present location not only provides inadequate access by the public but to the fire protection resources as well. New quarters on the highway in a highly visible and heavily visited location such as the Leslie Frost Resources Centre makes sense. The fact that the centre is used to assist with education of students at all levels is also a major consideration.

When the concern first became evident, a group of concerned citizens made up of publisher Jack Brezina, merchant and former member of council Stuart Brandon, County Warden Ron Gambell, and owner of Camp Kandalore Jack MacGregor, got together and formed the "Haliburton County Citizens for the Kanawa Museum" committee. They have gathered letters of support and have submitted a well thought-out and prepared brief to the government on their desire to keep the museum in the county. They have received a letter in support of their cause from Minister of Natural Resources, Alan Pope and a commitment from Premier Davis to look into the situation in more depth. They have accomplished a great deal and those of us in the county that share their concern should be extremely grateful for their work.

The committee, however, has been very careful not to endorse any site for the museum. They consider their mandate only to try and keep it in the county. Several individuals, organizations, and councils have suggested specific locations. The Chamber has no argument with any of these but we are concerned that if we don't take a very serious look at the one location that could be

competitive in the group being considered we may well lose this valuable asset to our region altogether.

Any of our readers who have not visited the museum should certainly do so in order to appreciate the magnitude of what we are dealing with. Failing this, if you still have a copy of the Travel section of last week's Toronto Star there is an excellent description of the attraction there in the "Weekends Jaunts" column.

### Half Way Through Harvest Festival

The first two events in our first annual Haliburton Highlands Festival are now history and we look forward with anticipation to Stanhope on Friday and Haliburton on Saturday. The Minden and Gooderham events last week-end were both excellent examples of entertaining evenings put on by community organizations with a little cooperation.

Those in Minden were treated to fine "Island" dancing, complete with grass skirts, by Tammy Pritchard, Lisa Carr and Joanne Kerr. The crab races were won by Fearless Freddie, Fast Frieda and Merry Atari and a big vote of thanks goes to Big Jer's Bait Shop for supplying the competitors.

In Gooderham the main attraction was the succulent food prepared by the ladies under the careful direction of Ann Franks. Ann and her husband lost their home and all of their belongings in a disastrous fire only a few weeks ago and her dedication in continuing to work on this project in spite of her own personal problems is to be admired. Those attending were treated to some music by Nancy Picard as well as the recorded music and all those participating were in appropriate costume.

Everyone is thanked and congratulated for a job well done, and if you missed it, don't miss the next two this week-end at Stanhope and Haliburton. Incidentally, this is the last Tuesday coming up for the Chamber Bus Tours this fall. Don't say we didn't tell you about it.

## Report from Parliament

by M.P. Bill Scott

October 4-11 has been designated as Agri-Food Week in Canada. That week is in conjunction with a national communications campaign being carried out by a volunteer group from the agri-food industry. The campaign is designed to increase consumer awareness of the importance of agriculture to our economy.

A research paper produced for the campaign by the Women for the Survival of Agriculture entitled, "What the Agri-Food Industry Means to You", accentuates the degree to which we depend on this industry. They point out that farmers and growers represent only 4 per cent of the Canadian population. This 4 per cent generates about one-fifth of Canada's Gross National Product. The agri-food industry along with its supply and service industries constitutes approximately forty per cent of Canada's economy.

# SPORTS

The Redmen battled furiously to win their match against Brock last Friday afternoon, but they remained two points behind when the final whistle blew. They must win their next outing to enter the play-offs.

## Junior C Huskies set for season

The Haliburton Junior C Huskies are set for their season opener at home Sunday afternoon, when they will take on the Parry Sound Shamrocks at the Dysart arena. Game time is 2:30 p.m.

This year's edition of the Huskies, under the direction of coach Rick Woods, have worked out at the arena for the past several weeks. It is expected they will form a strong team to perform in front of the home-town fans in this season opener. We also learned this week that the Huskies management have their eye on four new players that could add plenty of muscle to the defence and hustle up front on the forward lines.

Two new teams have been added to the eight team league making it a ten team loop for the coming season. Last year's eight teams will be returning for action, Bracebridge, Huntsville, Midland, Oro, Gravenhurst, Parry Sound, Penetang and Haliburton. The two new teams are Stayner and Essa.

## Golf festival enjoyed

Forty-seven couples from the Golden Horseshoe - Metropolitan area converged on the Haliburton Highlands golf course for the fourth annual Fall Festival of Fun last week-end.

Sunday the players enjoyed a mixed alternate shot competition but since scores were difficult to decipher, prizes were awarded after drawing names.

Saturday, the men's 18 hole championship was played. Ashley Marshall, of Richmond Hill, took the low gross with Paul Gariepy, of Aurora, won the low net.

## Big Six still leading

The Big Six led by Betty Yateman took over the lead this week by taking 7 points from the Humbugs, giving the Big Six 12 points, a 5 point lead.

The Humbugs move into 2nd place with 7 points. The Chunkles took 5 points from the Gum Drops giving them 7 points, the Gum Drops stand with 7 points also.

The Turtles took 5 points from the Smarties giving the Turtles a total of 5 points and the Smarties 4 points.

High single - Ladies - Joan Algar, 263; Men - Jim Grant, 234; High triple - Ladies - Ev Stata, 676; Men's - Jim Grant, 574.

Games 200 and over: Ev Stata - 252, 245; Jim Grant, 234; Harry Henderson, 221; Garnet Faagan, 200; and Joan Algar, 263.

## Hockey registration begins

Registration for Minor hockey in Haliburton Village began last Monday and continues until next Thursday.

Any players may register Thursday, Tuesday or next Thursday from 7 to 9 p.m.

Practices also begin this week with tykes playing from 4 to 5 p.m., atoms from 5 to 6 p.m., pee wees from 6 to 7 p.m., bantams from 7 to 8 p.m. and midgets from 8 to 9 p.m.

As well, next week the minor hockey association in cooperation with the Ontario Hockey Association will sponsor hockey skating and hockey skills workshop from Monday to Thursday.

The lessons, split into hour-long work-outs for each age group, will be instructed by Bruce Newton. The cost for children enrolled in Haliburton Minor Hockey will be \$5 while interested children from other areas will be charged \$10. More information on the workshops may be obtained during hockey registration.

## Soccer teams split games

The Haliburton high school junior and senior soccer teams split their games with I.E. Weldon last Wednesday.

The senior team is now one-for-one this season after defeating Weldon, 1-0. Al Cortez scored for Haliburton.

The Juniors were in close competition with their competitors but lost their match 1-0. The juniors have lost on both of their outings so far this season.

The two teams meet LCVI in Lindsay this week.

## Redmen lose offensively

### Juniors' Mike Blake runs 110 yards for touchdown

The Haliburton high school senior redmen football team came close to defeating its rival from Brock high school of Cannington, last Friday, but fell short in an attempt for a touchdown and another attempt for a field goal.

The Redmen lost the contest 11-9 forcing the team to win its next contest this Friday if it hopes to enter the playoffs.

The game began well for the Redmen as Keven Shapiera made a successful 10 yard run to score the first touch down of the game. Kelly Mitchell converted to make the score 7-0.

In the second quarter, the Redmen kept the momentum moving as Mitchell attempted a field goal but missed, giving the team only one more point.

Brock muscled back in the second quarter as they tackled in the Redmen's end zone for a two point safety and added another point on a kick.

At the end of the first half the score was 8-3 for the Redmen. In the third quarter it looked like the Redmen might secure their win as they were second down and five to go but with two excellent chances to score they were thwarted by Brock. The play turned and a Brock runner made a dash, and would surely have made the touchdown if Kevin Warburton hadn't made the tackle in mid-field. However, Brock couldn't be stopped and they eventually made the touchdown. And made a two point conversion to move into the lead at 11-8.

Haliburton took control of the ball and moving it down the field well it looked like the game might be tied in the final seconds, but a field goal by Mitchell was wide and the Redmen picked up only a single point.

But it wasn't only the loss of the game that hurt the Redmen, three of the key players on the team: Rich Choy, Kevin Shapiera and Dave Bishop Jr. were injured and coach Gary Brohman said they might not be able to play in this week's away-from-home game.

The Juniors fared no better against their counter parts from Brock as the locals suffered a 20-6 defeat.

Brock took off strongly with a 50 yard run in the first quarter to begin with an 8-0 score.

Haliburton managed to get the ball down to Brock's 10 yard line and it looked like the boys might score, but Brock's coach sent in his strong defensive first string and ended the assault.

Brock scored another touchdown to make the score 14-0.

The best play of the day and in fact the only full field length touchdown to be scored at Haliburton high school in many years came when Mike Blake grabbed the ball in his team's end zone and ran the full 110 yards. Excellent blocking mixed with Blake's speed made the play the highlight of the game.

At half-time the score stood 14-6.

Late in the fourth quarter the Brock team scored again to make the final count 20-6.

## Squash club enjoy Sept-athlon

The Highlands Squash Club held its 1982-83 opening last Thursday, Friday and Saturday. A Handicap tournament and Sept-athlon attracted six teams consisting of members, friends and family enjoying a week-end of games and races.

As the food was being prepared for the Saturday night dinner, teams again gathered for more Sept-athlon events.

A run took the teams from the Squash Club parking lot to the municipal dock on a scenic round about town route. At this time many willing and some not so willing entered the Bonus Points Swim. The Paddle Boat Race was an easy victory for Terry Hartwick and Eileen Hadley. One boat never made it to the starting line.

The teams then moved to the squash club for a donut eating contest in which Jamie Dunsmore swallowed the victory with Chris Childs close on his track.

In the sky slide, two team members travelled up the chair lift with relative ease but started sweating on the downwind route after we placed an eight ounce cup of water secured with a tie on their heads. Most arrived at the bottom with a few ounces of water added to the sweat, but five ounces of water managed to stay in one cup.

The evening was started with a fun skit, the last event of the Sept-athlon. Drawing charades taxed everyone's artistic abilities. The Roberts Rockets Plus win in this event gave them an overall victory. The team consisted of Laurie and Steve Roberts, Joe and Heather Roberts, Maxine and Wim Magee, Tom and Cheryl Curry and Linda Platt.

Thanks to everyone who helped and participated in this fun week-end.

House league ladder squash starts soon. Please contact Chris Lynd, president, 457-1690; Len Creelman, vice president, 457-1438; or Western Tire, Haliburton, 457-2382 with any inquiries regarding the squash club.

## Hockey clothes for sale

If the price of new hockey equipment has frightened this time of year, they can now breathe a little easier.

The Haliburton Minor Hockey Association is sponsoring a used equipment sale at the Dysart arena this Wednesday and Thursday from 4 to 8 p.m.

Items for sale will be accepted on consignment until Wednesday evening from 4 to 8 p.m. Fifteen per cent of the sales will go towards the minor hockey association.

# More letters to the Editor

## To the Editor:

After reading the reports of the very negative vote by County Council members on the question of global nuclear disarmament, I feel I must convey my concern through the medium of your paper.

In view of all the information available from so many sources regarding the increasing build-up of nuclear weapons - bombs, all sorts of missiles, Cruise, Pershing, Mx, etc., which daily threaten to erupt into a nuclear war, I find it appalling that seventeen of these Council members would vote against the motion calling for nuclear disarmament world-wide. It is indeed regrettable that these men in public office could cast such a vote. They must be either very uninformed, or uncaring, since to vote against disarmament is in essence a vote for nuclear war. The grade eight students of the Archie Stouffer School who made 47 posters for the June 29 Peace Meeting showed more understanding and awareness of the danger of nuclear war with all its horrors.

I would like to quote from a Memorandum addressed to Nato Commanders and Staff Officers, Foreign Ministers and Defence Ministers of the Alliance, which was presented to an International Press Conference at The Hague on November 25, 1981. It is signed by six retired Generals and one Admiral, of seven European members of the Alliance; West Germany, Norway, Portugal, Greece, Italy, The Netherlands and France. The opening paragraphs are as follows:

"Peace is in danger. This is the result of a dangerously escalated arms race at which the people in Europe and all over the world look with great and justified concern." "We, as former senior officers of NATO Armed Forces, feel obliged to state the following, based on our responsibility as human beings and in our military competence..." "A third world war cannot possibly be won or contained to a certain region. The vast extermination capability of modern weapon systems (nuclear) is a threat to the existence of all mankind. A conflict fought out with such means would see no winner but only losers..."

In April this year the Board of Health for Toronto presented to the Toronto City Council a report on the public health consequences of nuclear weapons and nuclear war. It is a very comprehensive report, and was adopted by Toronto City Council. It outlines the build-up of nuclear weapons, as described by Rear Admiral Eugene Carroll, U.S.N. (retired) presently Deputy Director of the Centre for Defence Information, Washington, D.C.... "During the next decade the U.S. nuclear arsenal is expected to increase from 30,000 to 40,000 weapons, with the number capable of reaching the U.S.S.R. increasing from 12,000 to 20,000. Simultaneously the Russian nuclear arsenal is expected to increase from 20,000 to 30,000 weapons, with the number capable of reaching the USA increasing from 7,000 to 14,000. Not only is the number of weapons increasing, but so is their accuracy."

The report specifies the consequences of nuclear war, and the ineffectiveness of civil defence methods to protect communities. It argues that the only effective form of civil defence is to use the political process to bring about arms control, a reduction in nuclear weapons and eventually nuclear disarmament, and municipal-

ities can be active in educating their residents about the consequences of nuclear war, and can thus put pressure on federal politicians to act to reduce and eventually eliminate the threat of such a disaster. Toronto is taking the lead in this respect. The Toronto Star of September 25 reports that the city is printing 450,000 pamphlets describing the horrors of nuclear war. Municipal election candidates will be asked to hand out the pamphlets along with their campaign literature. The question will also be on the ballot November 8.

I believe nuclear war can be prevented by the will of the people if they are informed and mobilized, and that, it seems to me is the duty of elected representatives. I would suggest that the members of the township councils within Haliburton County secure copies of the Board of Health report. It is available from the chairman of the Board, Alderman Anne Johnston at the alderman's office, City Hall, Toronto, M5H 2N2, Phone 416-367-7902.

Now about Mr. Walker. It is inconceivable that the Reeve of a municipality could make such a crass remark as... "To hell with them". To hell with whom, Mr. Walker? The members of the People for Peace Committee? The people of Haliburton? The people of Canada? Remember, Mr. Walker, should nuclear war occur, you, your children and grandchildren, will be numbered among the "them", as will all of us. Think about it.

Finally, I want to congratulate the three members who voted in favour of the motion. It indicates they have a conviction and are prepared to stand by it. I am sure their stand will find favour in the minds of the people of Haliburton County. Thank you.

Louise Watson,  
R.R.2, Minden

## To the Editor:

People for Peace would like to congratulate Warden Ron Gambell for endeavouring to gain the support of County Council for world peace and disarmament.

Whilst council voted 17 to four against the motion, our committee is not discouraged. We feel a prime factor in the unfavourable response of some of the members, though not all, was a lack of education as to the current situation regarding mutual deterrence. Once the concept of winnable nuclear war becomes a plausible proposition to one side or another, the amount and type of arsenal possessed by either side will offer no deterrence at all. Both the U.S. and Russia are entering the most dangerous and sophisticated arena to date, where future nuclear weapons will inevitably enhance the concept of winnable nuclear war and make it a practical proposition to the superpowers. This is simply because of the complexity of the new weapons and their power. We however, consider there would be no winners and that man would simply annihilate himself. Prevention of further sophistication of weapons will only come about if, at the very least, a nuclear freeze is put into effect. Perhaps County Council was not aware of the over-kill factor either? Russia and the U.S. now have the capacity to annihilate the world 60 times over. Even the people who feel "safe" just as long as the U.S. weapons "match" the Soviets, must agree that any excess weaponry is a waste. After annihilating the enemy once, what are you going to do with

your spare ability to annihilate another 59 times over? Freeze on stockpiling of certain weapons is an obvious need. This would also release large amounts of money to assist the starving millions in the third world. If we don't at least limit the production of these weapons what do we do? Stockpile them ad infinitum until there is nothing in the world but weapons? Will the only thing that will stop this madness be annihilation?

When one considers that according to Dr. Norman Alcock, world famous peace proponent, the electro-magnetic pulse from one bomb the size of the Hiroshima bomb, exploded 100 miles up will knock out all communications including satellites and power, rendering a nation vulnerable to say the least, one realizes that deterrence exists only in the mind as an ideological concept and to make a practical application and strategy with weapons so unpredictable, powerful and complicated is an impossibility. It is their existence alone that is the satanic threat to world peace.

Warden Ron Gambell and some County Council members understood the complexity of the current situation by way of attending meetings and/or seminars. People for Peace, therefore, intend to attend County Council with a presentation of information, and maybe, at a later date, a follow-up request for support of a world-wide nuclear arms freeze rather than disarmament at this stage. Perhaps this request will be less demanding.

Sonja Holiday-Rhodes  
People For Peace, Haliburton County

## To the Editor:

September is nearly over and everyone is getting used to the idea of children being back in school. Parents of Grade 3 children at Haliburton Senior Elementary School are probably becoming resigned to the heavy-handed treatment meted out to them by the Board of Education in response to their concerns about the quality of their children's education.

The transfer of these children from Victoria Street Public School has been implemented to achieve administrative convenience for adult members of the system and the needs of the children have been ignored.

An editorial which I read in this paper May 1982 suggested that when parents and teachers engage in confrontation it is usually the children who lose. My own experience with the Board suggests that no such context is necessary in order for children's rights to be trampled. A report I submitted to the principals in this system in April 1982 following a period of employment there as a consultant in communicative disorders documented the lack of adequate services available to meet the needs of children in Haliburton County with speech, language and hearing disorders.

Included in my report were a number of recommendations concerning ways of addressing this need and of implementing a service that is

required by fully 10 per cent of all children in Haliburton County.

The response I received to that report and to a letter of enquiry concerning those recommendations was a letter from the director of education stating that there were no plans to alter the situation whatever.

It would appear that the children and their rights in the role of "loser" in their interaction with this Board is the rule rather than the exception. Unfortunately, as long as parents allow themselves to be brow-beaten by the administration, this unhappy situation is unlikely to change.

Steven McEvoy, M.C.Sc.  
Speech-Language Pathologist

## To the Editor:

The following is a copy of an open letter sent to over 800 mayors across Canada including Lindsay Mayor Jim Flynn;

Your Worship:

There are now 57 cities and towns, representing 4 million Canadian citizens, which are conducting referenda on balanced disarmament in conjunction with their next municipal elections.

Maclean's (June 28, 1982) has stated that "the real impact of the (local) referenda has been to force Trudeau, once again, to take up arms control as a matter for his personal diplomacy", and this even before the votes have been taken.

We are writing to ask you to photocopy this letter and enclosures and distribute them to all members of your council. Our earnest hope is that your council will conclude that disarmament is the most important issue of all time, that it is a legitimate municipal concern, and that you would be serving your constituents responsibly and exceedingly well if you were to hold a municipal referendum on balanced disarmament.

Such decisions give people a democratic voice on an issue that has rapidly risen to the top of the personal agendas of millions of Canadians.

We recommend that you canvas churches, union, service club, and other opinion leaders in your area. You will probably find a mixture of views, but you are also likely to find very broad support for this idea.

The final decision is yours, of course, as every politician must ultimately follow his or her conscience on such grave matters as this.

Yours sincerely,

Farley Mowat; Pierre Berton;  
Ed Broadbent, Leader N.D.P.; Mike  
Harcourt, Mayor of Vancouver; Dr. Clarke  
MacDonald, Moderator, United Church  
of Canada; Art Eggleton, Mayor of Toronto;  
Grace Hartman, President, CUPE;  
AND OTHERS

The undersigned would be grateful if you would print the above in your paper. I'm sure that everyone on your council reads The Haliburton County Echo. It would also provoke some thought on this matter among your readers.

Sincerely,  
Dave Crichton  
Cobocok

## H O M E O W N E R S

# HOLD YOUR BREATH AND READ THIS.

If your chimney is defective, your house may be feeling just like you do right now. Because heating systems take in oxygen and release carbon dioxide. Just like you do.

But when a furnace can't get enough oxygen, or carbon dioxide can't escape, your house can't "breathe." Carbon monoxide can be created and that is a dangerous situation for you and your family.

A clean and clear chimney is necessary to vent your furnace properly.

Here are some warning signs of chimney deterioration:

- ☐ loose mortar and bricks
- ☐ white powder or water stains on chimney above roof
- ☐ water stains at the chimney's clean-out door.

YOU MAY NEED A CHIMNEY LINER TO PREVENT EROSION OF THE MASONRY.

For your safety, and for your peace of mind, have your heating system and chimney inspected and cleaned annually by a qualified contractor. You and your house will both breathe a sigh of relief.

## Senior League by Bert Harrison

Our son came and took us for a drive this lovely afternoon to see the colour at its best but we were just a little soon. It's nice to get out in the country, and get some country air, there is no use sitting around and grumbling, and say it just isn't fair.

Rev. Burgess spoke again this Sunday, at Eagle Lake, Haliburton, then at Hyland Crest, always helping where he can, giving of his best. The Thompsons are so faithful to come and do their part. We thank them all for coming, from the bottom of our hearts.

I asked Bev Connelly to cut my nails, she's so energetic. But the way she handled my poor toes, was really apathetic. This is hurting really bad, I kept insisting. When she was finished I counted my toes, and found that two were missing.

Doris Robertson took some in the bus to see the leaves, this Monday afternoon. We didn't go with the rest. We think it will be another week before they are at their peak.

Tuesday morning there was a nice service in the chapel. Rev. Elliott held the service, while Norma came to play. We thank them both for coming to fill in until our new United Church minister can take over again.

Robert Krick is in hospital for surgery we guess. We hope it will be a real success, and with better help he sure will be blessed.

Monday night Linda English played to show us movies, one more time. We watched three that were really fine. We thank the girls for making these arrangements to get these nice movies here for our entertainment.

The Watson-Smith trio came again Tuesday night. They played lovely music, and did the job just right.

We thank them for coming, and look forward to when they will be back to play for us again.

Mary Oliver has a birthday September 26. I won't tell you how old she'll be - I might get in a fix. Congratulations, Mary, and very best wishes. We'll be getting birthday cake, before they do the dishes.

Joan Kernohan is on holidays all this week, leaving Helen Lee to keep things nice and sleek. Congratulations to Peter and Rachael Fearley

on the arrival of a lovely little baby girl.

Thursday the A.C.W. Ladies from Kinmount brought a real nice lunch, and served it so nicely. They were a jolly bunch. We played them some music, and those who were able, got up and really stepped it off, and danced around the table.

Thursday night is Bingo Night here at Hyland Crest, put on by the Kinsman Club. To win, as many bingos as they can, our residents do their best.

Friday, Doris took some in the bus to go sailing on Lake Muskoka (not Lake Fairy).

The rest of us stayed at home, and merry Linda stayed, bless her heart, to put us through our paces. Ted Carr got up to kick the balls and busted his shoe laces. Then Friday afternoon, Grace and Norma came to play and sing some tunes. Grace read two humorous poems, and sang "Hold Thou my Hand" and "At the end of a Perfect Day". We thanked them both for coming before they went away.

Those who went on the boat trip, say they had a lovely time. They all returned after 8 p.m.

## Farm News

Intended for last week -

The Fenelon 4-H Beef Calf Club had the Champion team for Victoria County's first ever 4-H "Reach for the Top" Competition. Eight 4-H Agricultural Clubs took part in the program, September 7, at the Lindsay Agricultural Office.

Members of the winning team are Jennifer Batty, Susan Burnett, Donna Potter and Irwin Potter.

In the final game, the Fenelon 4-H Beef Calf Club defeated the Little Britain and Woodville 4-H Dairy Calf Club by a score of 280 to 125.

The competition involved individual and team questions based on 4-H and agriculture.

The Victoria 4-H Ploughing Club, Little Britain 4-H Beef Club, Omeme 4-H Dairy Club, Woodville 4-H

Beef Club, Victoria 4-H Sheep Club and Omeme 4-H Beef Club also took part in the program.

The Victoria County Holstein Club provided each 4-H member of the winning team with 4 Constitution coins. All 4-H members in the competition received one coin. Presentations were made by Holstein Club President Lorne Disney.

A County 4-H Team will be selected from the competition to participate in an invitational Reach for the Top in Peterborough, on the weekend of October 16.

September 28 - October 2 International Plowing Match at Lucan, Middlesex County. September 30th, 7:30 p.m. Victoria 4-H Heritage Club, Lindsay Agricultural Office.

**Haliburton County LADIES SOFTBALL LEAGUE**  
will be holding a  
**GENERAL MEETING**  
at the  
**HIGH SCHOOL**  
Haliburton  
**WEDNESDAY, OCTOBER 6**  
7:30 p.m.

Please remember ticket sales

## First Aid courses available in area

"If you would like to take a First Aid Course, you can register for one in the county."

For the Red Cross First Aid course, call Wayne Wood in Haliburton, 457-1740. Sixteen registrations are needed

before a class can be held. If interested in the St. John Ambulance First Aid course, register with Lloyd Johnson in Minden, 286-1573.

It was announced at the Haliburton County Information Centre information ses-

sion at the PineStone Inn, May 28, 1982, that three training sessions will be given to those interested in volunteering with the information centre.

These sessions will be conducted on October 1, 8

and 22, from 10 a.m. to 12 noon. The first two at the Drag River Municipal Building, the last in the Dysart et al council chambers. Guest speaker at the last training session will be Faye Mans-

field, information officer, Ministry of Consumer & Corporate Affairs, Canada. The topic is "consumer rights and obligations". The general public is cordially invited to this last session.

If you wish to become a volunteer, call Leopoldina Dobrzynsky at 457-2733

The Royal Canadian Legion, Branch 129 pipe band had the honour of piling the drums in the Drumhead Service in Haliburton Village, Sunday. The service symbolized the war-time service held on battlegrounds.

## Trent Severn

Quite steady flow conditions continued throughout this week requiring only small changes on the reservoir tributary rivers. The stored water remaining in the Haliburton Lakes averaged 56.2 percent of maximum on September 20. This represented a drop of 3.4 percent from the week before which is in line with the average decline rate of 3.5 percent per week. The 10 year average for September 20 is 51.3 percent.

Flows down the Otonabee River were increased to reduce the Kawartha levels after rains had resulted in

several centimeters of overfilling. This higher flow may be sustainable for a week or more if rains are moderate as

forecast. Lowered evaporation seems to be resulting in a normal surplus as autumn is beginning.

# Farm News

Over 200 4-H members took part in the Inter-County 4-H Championship Calf Show at Lindsay Central Exhibition. 4-H members from Durham East, Durham West, Peterborough, Northumberland and Victoria had entries.

The beef judging was Eric Rincher from Gormley. Roger Dymont of Dundas handled the dair classes.

In the beef showmanship class, Victoria County had three 4-H'ers in the top 10. Tim Noble placed 4th, Stephen Burgomaster was 7th and John Connell was 9th. John Connell also had the reserve champion beef heifer. The champion group of three junior beef heifers was exhibited by Graham Dyer, Danny Webster and Michelle Storey. John Connell, Bill Brett and Marie Lidtkie exhibited the reserve champion group of three beef heifers.

The reserve champion group of three beef steers was exhibited by Darryl Kennedy, Leah Harper and Bill Connell.

In the senior beef heifer British breeds class, Carolyn Payne had reserve champion. Graham Dyer had reserve champion junior exotic heifer. John Connell had reserve champion senior exotic heifer.

There were three excellent Holstein classes at the 4-H show. In the junior Holstein heifer class, Francis Peeters placed 7th and Deanna Disney placed 8th in a class of twenty. In the intermediate Holstein heifer class, Mary Helen Recker placed twelfth in a class of 38.

In the senior Holstein heifer class, Bruce Vandenberg placed 14th in a class of 32 heifers.

## Thurston and Graham win Field Crop Competitions

Keith Thurston, R.R. 3, Lindsay was the overall winner of the 1982 field crop competition at Lindsay Central Exhibition, and Frank Graham, R.R. 1, Lindsay, placed first in the field crop competition for soybeans.

Keith Thurston's soy field gained a total of 195.2 points to gain him the top placing. The runner-up was Alan Ness, R.R. 1, Omemee with 187.8. In this competition four separate items are judged to provide the total score - the growing crop in the field in late May, the protein content of the harvested forage, the total amount of dry matter produced per acre, and a sample of the forage exhibited at the exhibition.

Other participants in the competition in order of placing were Bill Pearson, R.R. 2, Little Britain; Alwyn English, R.R.5, Lindsay; Bruce Miller, R.R.3, Little Britain; John Hope, R.R.1, Lindsay;

John Buckley, R.R.5, Lindsay; Bill Hawman, R.R.2, Omemee; Casement Davidson, R.R.2, Little Britain; Peter Peeters, R.R.4, Omemee; Grasshill Farms, R.R.2, Bobcaygeon; John Connell, R.R. 1, Oakwood, and Ross Cheeseman, R.R.5, Woodville.

Fran Graham's soybeans gained a total of 111 points out of the possible 125 in the field crop competition. Runner-up in this event was Robert Snoddon, R.R.1, Little Britain. In this competition the soybean fields were scored in early September and the exhibit of a sheaf of soybean plants was marked at the exhibition. This is the first time for a field crop competition for soybeans to be held in Victoria County.

Other participants in order of total placing were Jim Callaghan, R.R.5, Lindsay; Case Davidson, R.R.2, Little Britain; Davidson Bros., Little Britain; Keith Reeds, R.R.4, Lindsay; Bill Callaghan, R.R. 1, Reaboro; Chris McColl, R.R.2, Lindsay; Alan Baker, Woodville; Bob Dykstra, R.R.2, Little Britain; Neil Moore, R.R. 5, Lindsay; Lynn Dukelow, R.R. 3, Woodville; and Wade Reeds, Reaboro.

Agricultural Events this week: September 28 - Octo-

ber 2 - International Plowing match at Lucan, Middlesex County. Victoria 4-H Heritage Club meeting at Lindsay Agricultural Office - 7:30 p.m.

October 1 and 2 - Bobcaygeon Fall Fair. Saturday, October 2 - 1:30 p.m. Haliburton County Farmer's Association meeting at Ray Welch's Farm, Maple Lake.

Monday, October 4, 7:30 p.m. Milk Committee meeting at Lindsay Agricultural office.

Thursday, October 7th, 10 A.M. Beef Producer's meeting and dinner at Woodville Legion hall, sponsored by Woodville Feed Mill. Please call 439-2982 in advance for your meal reservation.

October 7, 12 noon - Milk Producer's dinner and meeting at Woodville Legion hall, sponsored by Woodville Feed Mill. Please call 439-2982 in advance for your meal reservation.

October 12, 7:00 p.m. Karwartha Klassic Holstein Sale, Peterborough.

8:00 p.m. Planning meeting for East Central Farm Conference, Lindsay Agricultural Office.

October 13 10:30 a.m. East Central Ontario Championship Holstein Show, Peterborough.

# County council reconvene after 2 month summer break

County council met for the regular September meeting Wednesday, September 15.

The minutes of the county council meeting of June 16 and the special meeting of August 5 were approved as circulated.

Finance Chairman G. Lewis reported all accounts had been scrutinized by the Finance Committee and recommended for payment.

Accounts were approved in the amount of \$231,808.84, representing cheques numbered 331 to 522.

Items of correspondence were read or mentioned as recommended by the Correspondence Committee. Correspondence mentioned: Township of Stanhope: resolution agreeing to Separate School representation and to retaining same public school representation as previous, with strong objection to any deviation; Copy of letter from Donald J. Finn, BA, LLB, to Hon. Wm. G. Davis, Premier, requesting consideration re closing Madawaska Mines; To Hon. William G. Davis, Premier of Ontario: re drastic impact of closing Madawaska Mines; John Eakins, MPP, sharing concern re closing of Madawaska Mines; Hon. William G. Davis: reply re circumstances relative to Madawaska Mines; Telegram to Premier William G. Davis: Support of per cent control; Bishop and Rogers, Barristers and Solicitors, Haliburton: copy of letter to MNR with comments on Land Use Strategy; H.K.P.R. District Health Unit: announcing retirement of H.E. Good, Director of Administrative Services, replaced by Mrs. Susan Bickle; Lennox and Addington: Resolution requesting that proposed increases by Ontario Hydro be re-examined for more realistic approach to inflation and recession; Sherborne, McClinton and Livingstone: requesting clarification of County Policy on 66 foot original allowance; Reply to Sherborne suggesting that parts of policy not applicable because of subsequent Provincial Policy. Being referred to Budget Committee; McTaggart, Stone, Winters and Herridge: solicitors for lot owner on Moulds Island enquiring if County will be appearing or making written submission on appeal by De

Ruyter; Ontario Municipal Board: Board Order that Improvement District to be erected into a Township effective December 1, 1982.

Correspondence Read: Ministry of Natural Resources, Minden District: District Land Use Strategy request for participation and comments; To Ministry of Natural Resources, Minden District: Request for extension in time for submission until after September 15 meeting; Ministry of Natural Resources, Bancroft District: request for participation and comments re District Land Use Strategy; Lambton County: Resolution that Lambton County exercise severe restraint in wage negotiations for 1983 and request other municipalities to do likewise; Victoria County: Resolution petitioning Province to consolidate and rationalize existing legislation relating to Tent and Trailer Parks for more comprehensive control, and provide mechanism for municipalities to collect revenue related to revenue generated; People For Peace, Haliburton County: requesting County Council to support concept of global nuclear arms suffocation.

The correspondence was accepted as presented.

By-law no. 1187, was read a first time, considered read a second and third time, passed, signed and the Corporate Seal attached, being a by-law to consent to the passing of a by-law by the Corporation of the Township of Lutterworth, to close, stop up and convey a portion of the original shoreline allowance for road fronting part of Lot 16, Concession 7, and the shoreline perimeter of Gull Lake in the Township of Lutterworth.

By-law no. 1188, was read a first time, considered read a second and third time, passed, signed and the Corporate Seal attached, being a by-law to consent to the passing of a by-law by the Corporation of the Township of Stanhope, to close, stop up and convey a portion of the original shoreline allowance for road fronting part of Lot 14, Concession 3, along the north shore of Beech River, in the Township of Stanhope.

A motion that County Council of the Provisional

County of Haliburton fully supports the pursuance of world wide nuclear disarmament, was lost with 4 yeas and 17 nays.

Some members of an ad hoc committee which had been organized and chaired by MNR Forester Peter Hynard in the interest of forestry protection attended County Council. In attendance were B. Sargison, S.G. Nesbitt, Bill Emmerson, Charlie Heard, and Peter Hynard. Absent member was John Bruce.

The Clerk read By-law 1186 restricting and regulating the destruction of trees on behalf of the Municipality of Dysart et al. Forester Peter Hynard then reviewed the various sections of the by-law with full explanation and invited questions and discussion. It was explained that municipalities do not have the authority to pass tree cutting by-laws. Such by-laws must be passed by the county on behalf of the municipality or municipalities concerned. The Municipality of Dysart pursued this matter. Other municipalities were urged to discuss tree cutting control with their local councils.

By-law 1186, was read a first time, considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to restrict and regulate the destruction of trees.

Major G. Lewis presented his report on Children's Services and discussed the report aspects of some of the Ministry's withdrawal of support for continuance of some of the programmes. The local committee received funding in August.

County Engineer Bill Obee reported on County Roads operations.

By-law 1189, was read a first time, considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to adopt parts as designated on reference plans as part of the County Road System.

The following committee reports were given: Hyland Crest Committee of Management: Chairman M. Fearrey; Property: Chairman D. Pritchard; Health Unit: Representative K. Tallman; and Forest Management: E. Stouffer.

County council supported the community Harvest Festival events being sponsored by the Haliburton Highlands Chamber of Commerce in Gooderham, Haliburton, Minden and Stanhope, and confirmed that the Chamber of Commerce has duly notified the appropriate authorities, with details of these events and designating the individual organizations responsible.

Haliburton County Council served notice to MNR that a

brief will follow dealing with issues of concern in the Land Use Strategy. These issues will include parks, deer yards, fresh water fisheries, acid rain, and the infringement of these policies as they relate to municipal planning and private land owners.

It appears that the Frost Centre is unable to mark trees to upgrade the Crown Land under their control due to financial restraints. The result is that some of our fuel wood cutters are having trouble finding available trees. We would like to encourage the MNR to leave no stone unturned in their efforts to provide this much needed employment. Copies of this resolution to Queens Park, John Eakins, MPP and the Frost Centre.

Improvement District of Bicroft Chairman W.G. Howe introduced as a special guest Secretary-Treasurer Sandra McColl, and presented to the County for its historical records a copy of the Board of Order establishing that municipality with full township status to be effective December 1, 1982.

MTC will be urged to proceed with the reconstruction of Highway 507 as scheduled.

County council requested the Treasurer of Ontario to advise what Ministry and funding will be available to replace the funding of Snow-

mobile Trails previously funded by MNR. A copy of this resolution to J. Eakins, MPP and adjoining counties.

County council of the Provisional County of Haliburton agreed to a five year lease renewal for the Registry Office commencing January 1, 1983, with the Ministry of Government Services at a

rate of \$20,181 yearly, all other conditions to remain the same as previous lease; and that the Warden and Clerk were authorized to sign the Renewal of Lease forms.

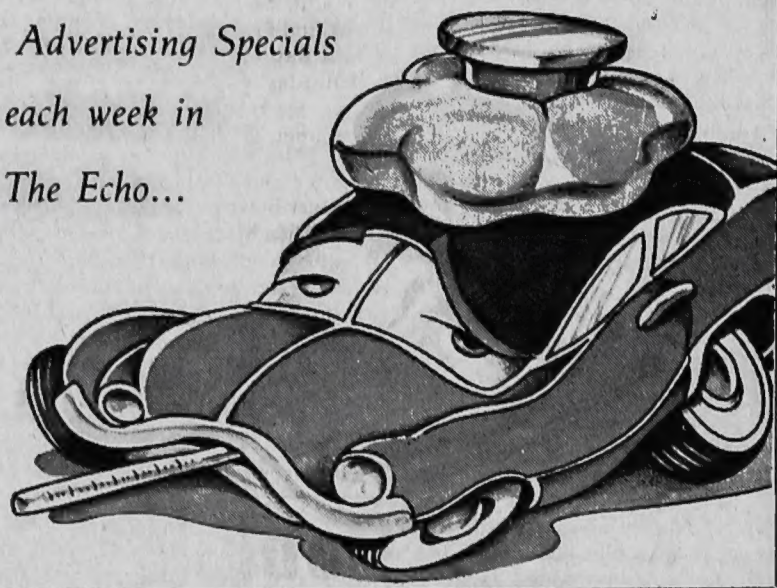

The Budget Committee will design and purchase 10,000 Trade Dollars coins to celebrate the removal of the word 'Provisional' as we

attain full County Status. It was suggested that for a future meeting we accept the Ontario Hydro offer to make representation to County Council to give full details on Hydro spraying.

## What does community development mean?

Last year, it meant building a new wharf for Point au Gaul, Newfoundland. Renovating an education centre in High Level, Alberta. And improving a salmon fishery in the Skeena region of British Columbia.

## This year it means jobs for over 48,000 Canadians.

The federal government's Canada Community Development Projects (CCDP) will provide \$270 million to hire local workers for projects that improve the communities in which they live. Young people, men and women and disabled Canadians, will be building their work skills and experience, while building their communities.

If you have an idea that will enhance the economic or social life of your community and employ three or more local people full-time, visit your local Canada Employment Centre. Applications and program information are available for sponsor organizations, local corporations and cooperatives who've got the experience to organize and coordinate community-based employment programs like CCDP. Job creation is a vital component of the federal government's six and five economic recovery plan.

Tell us what you think community development can mean to your community, and all the people who live and work there.

Applications must be received by September 30, 1982.

# DISTRICT NEWS

## Kinmount Korner

by Millie Moss

Sorry to hear June Grozelle has been a patient in Ross Memorial Hospital, Lindsay. Vivian Anderson took June to the hospital Wednesday morning, September 15 and we hope to hear of June's full recovery very soon.

A bake/bingo to be sponsored by the Ladies' Auxiliary of Legion #441, Kinmount will be held in the Legion hall, Wednesday, September 29 at 8 p.m. Admission \$1.00. There will be 18 games for prizes of home baking, one Share the Wealth game and the last game of the evening will be a special full card game with the lucky winner taking home a very nice quilt. Should be fun. Come out and enjoy the evening with your friends.

Results of the 10 tables of euchre played at St. James Hall in Kinmount, Tuesday evening, September 21 were: ladies' high: Clara Watson, ladies' low: Ruby Schell, men's high: Bill Wilson, men's low: Lyle Anderson, lone hands: Eva Peacock.

Jack, Joyce and Ernie Hills of "The Pines", Kinmount enjoyed the company of Jack's mother, for a week recently.

Seems to be a number of our people suffering some sort of bug recently and it's miserable, as I can attest. Sore throat, headache, and cough. Maybe it's that cloud everyone seems to be talking about. It's being blamed for the weather so why not our other miseries?

Our new neighbours are sure coming along with their new house. The outside is completed and now you can hear Cliff and Eva Shaw hammering and sawing each day, inside the house. Wednesday and Thursday saw the electric wiring and a well being drilled also.

Welcome home to Ken and Joan Hyams who spent last week at Toronto, visiting the Science Centre where they saw the Chinese Exhibition which Joan says certainly is worth seeing. They also visited the Cullen Gardens miniature Town at Whitby and on to see Stan and Eleanor Jones boat at Bowmanville.

Helen and Alex Graham, Mary and John Pyke all of Norland spent their day last Thursday at the Lindsay Fair.

An Avon business meeting was held at our house one day last week and I enjoyed a few hours with Mary Snoddon and Elaine Cooper, both of Kinmount, Sheila Lake of Coboconk and Frances White of Milford Bay.

The Saturday mail delivery ended for our rural customers September 25.

Hope Bert Bowrin, Gladys Bowman, Alice Miles and all other ailing people are feeling much better before this time next week. Hope also to write a better column next week, because this week I'm one of the ailing people. Stay happy and be here next week.

## Coboconk News

Mr. and Mrs. Ken Russell and Mr. and Mrs. Ken Russell Jr. and family visited Mr. and Mrs. David Fletcher at Listowel for a couple of days last week.

Mr. Blair Lake left on Friday for the British Isles where he reported for army duty. He visited here with his sister Roslyn and Charlie Cameron and other family members.

Winners in Tuesday Seniors euchre were as follows: Ladies first - Flo Penrose; second - Barbara Kenneth; Consolation - Ann King. Most Lone hands - Flo Penrose; Gent's first - Judy McDonald, 76; Second - Tom Bowins, 75; Consolation - Vina Neal; Most lone hands - Judy McDonald, 8.

Bridge winners were: first - Lyle Laramour, 5150; second - Sarita Steeves, 4600; low - Peg Robinson, 1160.

Mr. and Mrs. Zeke Munroe, Mrs. Ada Irwin of Lindsay; Mrs. Myrtle Faulkner and Mrs. Annie Marles all enjoyed a trip to the Haliburton area on Thursday.

The Happy Wanderers entertained at Lindsay Fair this past week. Always anxious to provide musical entertain-

Dignitaries from Legions, Dysart et al, Haliburton County, the provisional government and federal government, brought greetings at the Drumhead Service in Haliburton Village, Sunday.

## Dorset News

by PHYLLIS BRISCOE

"Better to be despised for too anxious apprehensions, than be ruined by too confident a security."

The beauty of the autumn colouring is once again with us. No matter in which direction one travels the scenery is breathtaking, especially when the sun is shining.

I have been doing a good bit of travelling in the past 10 days so have had the opportunity of viewing the countryside in all its splendour. When a person is surrounded by such grandeur the past rainy, chilly days we have had and whatever is to come later on can almost be forgiven and overlooked. I am sure such spectacular landscape ornamentation is a rare phenomenon, and we are fortunate to reside in such an area. We just hope there is some colour left for Thanksgiving.

Rev. Murray Bradford and his wife Lorna, spent a week visiting friends and relatives in Point Claire, Quebec, since when they move to Thunder Bay, the distance will prohibit trips to that area. While there they saw the Expos trim the New York Mets. They also visited Oka, Quebec, where cheese is made.

The Dorset Senior Club will be having euchre parties at a later date, which will be posted later with time, date and other details. There is no party planned for September 29, as you may have heard, just the members regular meeting.

We are sorry to report the death of Tom Craine, who resided at the Empire Hotel in Huntsville during his later years. He was the accountant at the Forest Ranger School, now the Frost Centre, for many years and had many friends in the vicinity. The late Tom Craine was in his 93rd year when he died after a prolonged illness, on September 16 at Huntsville Hospital. The funeral service was at the Addison Funeral Home conducted by Canon Sutherland, with burial at Hutscheson Cemetery. The pall bearers were Ken Hone, Claire Lytle, Harvey Barnhart, Hank Crosswell, John Pennock, and Mack McLean. Our sympathy to his only living relative, Mrs. Jean Cullin, and her husband of Toronto.

Mrs. Irene Minaker of Lindsay, visited in Dorset on the week-end.

The Dorset walk-a-thon, sponsored by Knox United Church, was very successful, with pledges of six hundred dollars resulting. There were 16 children and seven adults that participated in the event and the children were very ambitious, knocking on many doors, and the church would like to thank the members of the community for being so generous in sponsoring the walkers.

The Huntsville and District music teachers Association met at the home of Marcella McKay, September 23. Marcella and Hector drove to Oshawa last week to visit their sisters, Vi Sampson and Margaret Bordeaux. The McKays also entertained their daughter, Janet Green of Huntsville, on her birthday, September 19, when relatives gathered to help celebrate the occasion.

H.H. Exposure to sunlight softens tomatoes instead of ripening them. Leave them stem side up in a spot where they will not be in the light, a dark cupboard or towel drawer will do.

Mr. Mark Windsor of Sudbury visited with his grandparents over the week-end. Now that autumn has

donned her colourful dress, the scenery is beautiful. Mr. and Mrs. Kirk of Port Carling were guests of Mr. and Mrs. Ross Harrison one day last week. Mrs. H. Burton will be spending the next three weeks in Toronto.

If you see two ladies walking around Mirror Lake each evening, it will be Helen Skelding and her mother, Laurie McKay, who has just reached 83 and loves to walk. She brings our mail every day, rain or shine, and often makes three trips to the post office before it arrives.

Miss Mary Allcorn was honoured with a shower in Toronto yesterday prior to her marriage, October 9.

## Guilford Potpourri

by Gladys Kreller

Hi everyone, summer is now officially over and autumn is here in all its splendour. The trees are turning colours so fast that every time you look out the window, you could almost swear the trees look more beautiful than the last time you looked.

My aunt and uncle, Annie and Norman Miller, from Dundalk, came to visit me last Thursday and Friday. We drove around and looked at the sights, and they were very impressed with the scenery and the people they met.

On Friday morning his car would not start so I called a neighbour to help him. I would like to tip the Good Neighbour Hat to Gordon Priest for getting out of bed to come down and start the car.

Rendal and Elaine Loucks, Bert and Louella Bryant, Ray and Sylvia Cook and Gordon and Verna Priest enjoyed the wedding dance at the Stanhope Community Centre on

Saturday, for Karen (Wedmann) and Roger Pockett, who were married Friday.

Philip and Cindy Barry will celebrate their first wedding anniversary October 3.

Donald Cook went to Peterborough St. Joseph's Hospital for an operation Monday. William Stewart has been in Peterborough Civic Hospital since September 18. We wish them both a speedy recovery.

At the last Flea Market in Haliburton, Ken bought a jar of pickles at one of the tables and it was the best that we have ever tasted. The jar was marked "Lady Rose Pickle" so if you made them or know who did, I would appreciate it if you would call me to give me the recipe.

If anyone has any news they would like printed in the Potpourri Column please call 754-3005 or write it out and drop it at The Silver Valley Store or the house behind the store. Well that's all for now, see you next week.

## Carnarvon News

Mr. and Mrs. William Chambers have moved into their spacious new home overlooking Twelve Mile Lake.

Mr. and Mrs. Jack Barnhart and family were guests at a wedding in Bowmanville Saturday.

Mr. and Mrs. Wray Sisson of Schreiber, Ontario, spent last week-end with Mr. and Mrs. Leigh Sisson. Minnie and Reigh recently celebrated their 63rd wedding anniversary and Miss Isabel Gibbs entertained them at lunch.

Mr. Mark Windsor of Sudbury visited with his grandparents over the week-end. Now that autumn has

donned her colourful dress, the scenery is beautiful.

Mr. and Mrs. Kirk of Port Carling were guests of Mr. and Mrs. Ross Harrison one day last week. Mrs. H. Burton will be spending the next three weeks in Toronto.

If you see two ladies walking around Mirror Lake each evening, it will be Helen Skelding and her mother, Laurie McKay, who has just reached 83 and loves to walk. She brings our mail every day, rain or shine, and often makes three trips to the post office before it arrives.

Miss Mary Allcorn was honoured with a shower in Toronto yesterday prior to her marriage, October 9.

SNOW REMOVAL TENDERS ARE INVITED FOR  
ONTARIO HYDRO (MINDEN)

SERVICE CENTRE  
(82/83 SEASON)

Tenders will be received for the removal and disposal of snow from the service yard and parking lots on an as-required basis at Ontario Hydro's Minden Area Service Centre located on Hwy. 35, Minden and Minden T.S. on Hwy. #121 at Allsaw.

The contractor is to supply the necessary rubber-tired equipment with operators (hourly rated).

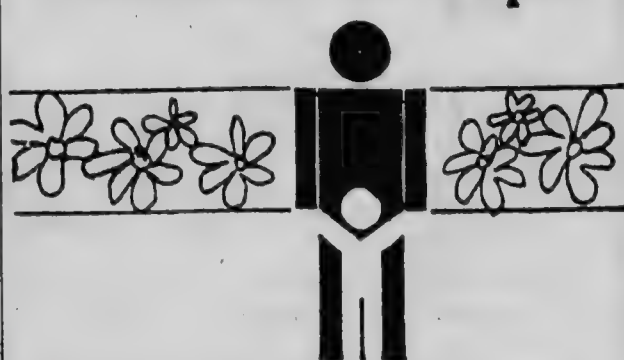

Roads and parking areas are to be cleared by 7 A.M. of accumulations of three (3) inches or more of snow or slush. Tenders are to be submitted by 4:00 P.M. on October 16, 1982, on company letterhead.

For further information and site inspection, contact:

A Kero-Sun™ Portable Heater is  
a real comfort in emergencies.

Keeping a Kero-Sun™ Portable Heater in your house makes a great deal of sense these days. Because they don't depend on electricity, these handy units can keep you warm and comfortable during an unexpected emergency such as a power outage. There are 7 different U.L.C. listed models to suit your individual needs. From the super powerful Omni 105 to the super compact Omni 15. And our Moonlighter™ model provides heat and light—plus cooking surface! A guard/cooking rail is included with all Omni™ and Moonlighter™ models. And to save money, you can place

one of these heaters wherever you need heat, and keep your thermostat turned down. 99.9% fuel efficiency means odorless, smokeless operation. Battery-powered ignition system and automatic shut-off device for extra safety. See a demonstration today.

## Chatting with Irene by Irene Moore

There's wisdom in taking the time to care;  
There's wisdom in giving,  
and wanting to share;  
There's wisdom in grace and making amends;  
There's wisdom in having and keeping good friends.

Birthdays at Hyland Crest Home for the month of October are: Tryphina Jenkins, 3rd; Ada Shorter, 13th; Robert Krick, 13th; Berta Dawson, 22nd. We wish them all a Happy Birthday.

Mrs. Paul Cockburn and Mrs. Dean McQuade of Woodville visited with Mr. and Mrs. Phil Robinson one day last week.

You know I looked for Haliburton Huskie in the Gray Stakes race last Saturday, but he wasn't there. What happened to him?

Mrs. William Milligan spent a few days with Mrs. Arnold Coulter last week. Bernice was with her. The Milligans are from Newtonville.

Well, I guess the Farmers' Market is over until next year, they sure had some good things for sale. I got some lovely peaches and cream corn for winter, as well as many other good vegetables and sure hope that they are back next year. The only thing I didn't like was the fact that they opened at 9 a.m. Even 1/2 an hour later would be better for those of us who sleep in on Saturday morning. I do hope they did well this year.

Mr. and Mrs. Bert Chamberlain, of Scarborough, also Mr. and Mrs. Doug Chamberlain of Toronto visited with the Don Littles of Haliburton, and the William Moores of Minden over the week-end.

Attention all interested people as Seniors. The Minden library is prepared to present bi-weekly movies at the Minden Culture Centre every second Friday between 2 and 3 p.m. if enough people will contact the library any day between 3 and 5 p.m. These movies are slated to start on October 15. If you are interested in seeing travelogues and documentaries, please phone the library, 286-2491 before October 13. These are shown for free and might help you put in time on a dull afternoon.

Mildred Gillespie of Sun City, Arizona and her cousin Gladys Hall of Dellaware have been visiting Edith Welch and other friends in the village for the past week.

Mrs. Mary Oliver spent her 93rd birthday at her home on the Buckside Road and many friends, and relatives called on her to wish her Happy Birthday last Sunday.

The mini card parties started last Thursday and all enjoyed the fellowship of these parties. They will be held every Thursday at 1:30 p.m. Luther won at cribbage, Shirley at euchre, and Irene Houghton won the lone hands prize.

Mrs. Gail Dudman of Markham spent the weekend with her mother, Mrs. Shirley Hewitt.

Children's cartoons will be shown this Friday evening at the Common Room, at 7:15 p.m.

Mr. and Mrs. Gerry Durant visited relatives in Ottawa for a few days last week.

Last Sunday the Library - Culture Centre was officially open for one year. During that time Paintings of Andre Lapine; a Christmas show of Children's Art, then during the winter of 1982 other of paintings (14) were hung, and 23 paintings of the C.I.L. Art Collection were at the Gallery as the fourth show; followed by 268 pieces of children's art from the Archie Stouffer school in May. In June was the Sue Tabouchi show. Mrs. Tabouchi was born in B.C., interned during World War 2, then moved to Toronto in 1945. She paints in the Japanese Sumi style, and gave lessons at the Centre for three classes from the Minden school.

In July 15, oils by Walter Noice, and 26 pictures by Agnes Jamieson graced the gallery walls, after which 35 of the works of Bruce Mills were on view.

In August, the collection was called As it was Then. Showing many old pictures, paintings, and antiques. This was enjoyed by all. Dr. Harry Good's collection of Eskimo Art followed this. Any time you visit the Gallery, please sign the guest book, even if you do each time you view the pictures, please. This proves that the number of viewers helps to be more valuable, when applying for a grant, if able to state the usage of the Gallery.

The Library has reported that since moving to the new location the circulation has exceeded 15,600 for this year. There are now 207 permanent members, 93 summer members.

Children's movies are being shown every second Friday.

## Police warn hunters

Each year, police and volunteers spend hundreds of man-hours searching for lost hunters, and some of the searches end in tragedy.

In the last three months of 1981, 3,478 man-hours were spent on 40 searches in the Northern OPP districts; in the Sault Ste. Marie district, 12 searches accounted for an average of 200 hours each.

Ontario Provincial Police Commissioner Jim Erskine says "We are extremely concerned for the safety of hunters who are going north this fall. All hunters would be wise to make plans for safety and survival before they go into the bush."

The OPP cautions even the most experienced woodsmen to keep a healthy respect for the remoteness of the province's hunting areas and realize the problems that can crop up in isolated bush areas.

The final thing to do before you take that trip is to make sure someone knows exactly where you are going. It's like filing a flight plan. Tell a partner where you will be and stay there.

There is a tremendous difference between a deer run hundreds of miles from the nearest town and the city streets most hunters see every day of their lives.

"Always keep a topographical map in your pocket" Erskine says. "A map and a compass, and the knowledge about how to use them, should be in every hunter's pocket."

A survival kit is another necessity. When you are in the bush, every member of a hunting party should have a

day evening and if enough adults show interest there will be adult movies shown the afternoon of the same day.

The Museum Committee are now on the move and with help will be open next year.

Adios and take care now.

container in his pocket with some items that will help him to survive. Most important is a mirror, but the kit should also have fish hooks and line, matches, some light high-energy food such as solid chocolate bars and foil for cooking.

Panic is the worst problem. A good hunter is one who has the self-control to stop and think his way out of a problem. You often need that moment of quiet to sit down and work out the best plan for survival.

Another point to remember is that three shots fired in the air, or three blasts of a whistle, mean a hunter needs help; they're universal emergency signals in the bush.

Once you lose your bearings, the most beautiful parts of Ontario's northland become a hostile environment, and without preparation and forethought the hunter can easily lose the battle against difficult terrain, freezing weather and panic.

## WHAT IS "WOMEN'S AGLOW FELLOWSHIP?"

We are an inter-denominational organization of renewed Christian women. AGLOW meetings provide the means by which women can meet with women to share Jesus Christ and to minister to one another. Our main objective is always to bring spiritual food to the spiritually hungry and the love and ministry of the Holy Spirit into women's lives.

WE INVITE YOU to join us to pray and discuss the beginnings of our Haliburton Chapter. This Wednesday evening at 8 o'clock, September 29 at the 4 "C's".

## Gooderham News by Mary Hadley

the cost of supplies, a charge of two dollars will be made. Kindly make your appointment 2 days in advance, October 19, by calling 447-2803.

It would be worth your while when you are in Haliburton to visit the hall of the Drag River municipal building, the new home of the Haliburton County Home Support Services. From now till December, the work of our talented artist, Jean Frazer, will be on exhibit. She has depicted the beauty of our area in oils, watercolours and sketches. Don't miss this display!

Dorothy Robertson has returned after a happy time in Vancouver, where she attended a reunion of the Women's Royal Canadian Naval Service (Wrens). This was the fortieth anniversary of the founding of this organization. Out of a possible 6,500 when the group was formed in 1942, 850 were present for this occasion. The next reunion will take place in Toronto in 1985.

A sincere welcome to our community to Earl MacDuff and his wife, Phyllis, who have moved from Haliburton to live in our area. They have purchased the property of Scott Madill here.

On September 22 there was a book exchange at the library in Gooderham. An exceptional collection of new non-fiction, as well as new fiction in every category is on the shelves.

Among the interesting new books are "The Real World War" by H. Lewis and D. Alison which explores the coming battle for the new global economy. This is a really comprehensive look at our declining world economies. "A Matter of Life" is the story of a medical breakthrough by R. Edwards and Patrick Steptoe. This book tells the inside story of the

first "test-tube baby". For anyone who has ever enjoyed a trip to the circus "Behind the Big Top" by David Hammarstrom will bring back memories. An amazing portrait of life in China is presented by Richard Bernstein in "From the Center of the Earth". This Time magazine correspondent is one of the privileged few foreign journalists allowed to live and work in China. "The Complete Retirement Planning Book" by Peter Dickinson is a guide to happiness, health and financial security

in helping you plan your retirement. For the ladies there is "The Complete Book of Needlecraft" which illustrates everything you need to know about crochet, embroidery, hairpin lace, and other popular crafts too numerous to mention.

Drop in soon and stock up on some reading for the cold nights ahead.

OPP officer Lorne Hunter of Oshawa and Jim Hunter of Scarborough spent the week end with their parents Ileen and Ivan Hunter.

## "CHRISTMAS SALE AND FLEA MARKET"

Do your Christmas shopping early. See the many gift items displayed - pottery, knitting, sewing, toys, candles, miniature metal sculptures, as well as the regular Flea Market items. Home made baking, take out food and lunch will be available.  
The Ladies Auxiliary, Branch 129, Royal Canadian Legion, Haliburton, are sponsoring this sale to be held on Saturday, October 9, 1982 starting at 10 a.m. in the Legion Hall.  
This will be our last Flea Market for 1982. We expect to hold sales again in 1983. Watch this paper for future dates. Our monies help the Legion develop National and United Spirit and help them to strive for peace. Various other organizations have benefited as well - churches, the Happy Gang, Fort Irwin Residents Association, etc. We all thank you for your support. 23-P-6

## 32. IN MEMORIAM

In loving memory of a dear Father and Grandfather, **Mike Misco**, who passed away ten years ago, 1972.

Often we think of you dear father, And our hearts are filled with pain. Oh this earth would be a heaven, If we could hear you're voice again. Ten years have swiftly passed away, But still we don't forget, For the hearts that loved you best, Your memory lingers yet.

Sadly missed by daughter Vera and family. 32-P-29

Also a special thank you to Larry Hartin for transportation and those who gave Jamie support and help during my six week stay in Toronto. Your kindness will always be remembered.

**Dorothy Bain** 27-P-29
